

Motorbike Frog

Quacking Frog

Banjo Frog

Slender Tree Frog

Moaning Frog

Make your own standing frogs

There are 16 different species of frogs that live in the Perth metropolitan area, including the Motorbike Frog, Slender Tree Frog, Quacking Frog, Moaning Frog and Banjo Frog. These frogs live in local wetlands and feed on insects.

Directions

1. Cut out and colour in the frogs.
2. Fold legs down along the dotted lines.
3. Stand the frogs up and display them on a shelf or table.
